

Parent/Carer Home-School eSafety Agreement

We believe it is essential for parents/carers to be fully involved with promoting eSafety both in and outside of school and to be aware of their responsibilities.

We are asking you to read through and sign our Home School Acceptable eSafety Use Agreement as outlined below:

- ❖ I/we will support the school approach to online safety and not upload or add any text, image, sound or videos that could upset or offend any member of the school community, or bring the school name into disrepute.
- ❖ I/we will ensure that my/our online activity would not cause the school, staff, pupils or others distress or bring the school community into disrepute.
- ❖ I/we will support the school's policy and help prevent my/our child/children from signing up to services such as Facebook, Instagram, Snapchat and You Tube whilst they are underage (13+ years in most cases)
- ❖ I/we will close online accounts if I/we/teachers find that these accounts are active for our underage children

If you or your child are concerned about anything seen on line, for example in an email or any web content, please forward it to our Safer Internet email address:
sid@greenfields.herts.sch.uk
 We will then alert the appropriate authorities.
 If you have any further questions about this leaflet, please do not hesitate to contact Mrs Evans or Mrs Cook.
